

As a valued employee, you are now eligible to enroll in group healthcare insurance products only available through Proman Staffing, LLC. Once enrolled, the premiums for these benefits will automatically be deducted from your paycheck and coverage will go into effect the Monday following your first payroll deduction. You will also receive a personalized ID card accepted by doctors nationwide.

Fixed Indemnity Medical Plan:

This plan helps cover out-of-pocket costs with no deductibles and no co-pays, and is our most popular plan option because of its highly usable benefits.
